MEMORANDUM FOR: Chief, Inspection & Security Division

ATTENTION : []
Alien Affairs Officer

SUBJECT : Anti-Communist Activity of WALLSPICE I.

1. Subject became an anti-communist from the time of his meeting with General VLASSOV (early in 1943). By virtue of his association with General VLASSOV alone (General VLASSOV'S Adjutant), he became an enemy of Communism. However, Subject was also actively participating in the fight against Communism through recruitment of other followers to General VLASSOV'S Army. Subject remained an anti-communist after the collapse of the German Army and narrowly escaped being captured by the Red Army units. (MAY 1948)

2. He continually expressed his hatred for Communism, and eventually (in 1951) was recruited by AIS for anti-communist work. From that time until the present, Subject's activities are recorded in his file, showing his true intention to fight Communism.
